

DN 150/160 roof hood

Product number: 4024023
Configuration: black

Configuration options
4024023 | black
4024024 | natural red

✓ Exhaust air accessorie

The universal roofing tile is quickly and securely mounted. Due to the Z edge of the bracket plate it immediately achieves a secure grip and may comfortably be moved to the exact installation point on the roof batten. Two rust-free screws (not included) are recommended for secure fastening. With universal lead-coloured pass-through roofing tile for rooves with a tilt angle of 25°–45°. Without backpressure shutter.
