1111127 | L 867 mm, white

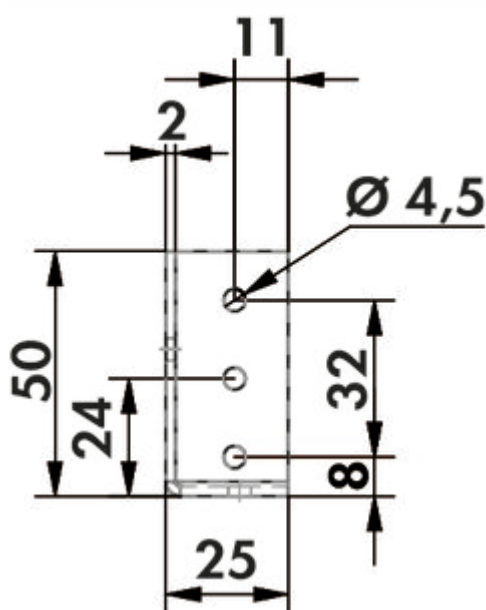

1111128 | L 967 mm, white

1111129 | L 1167 mm, white

✓ Connecting materials

The stabilising strip for 16 mm sidewalls can be used universally as a spacer bar and in combination to support the worktop. This can be used upright as well as flat, depending on the requirement. Due to the design, a wooden panel can also be fitted in front mounting.

— to support long and narrow worktops
