

Table top Livia

Product number: 3032311
Configuration: round, Ø 800 mm

Configuration options
3032311 | round, Ø 800 mm
3032312 | square, 800 x 800 mm
3032313 | square, 1200 x 800 mm

✓ Table top
✓ round
✓ oak

Tabletop. Solid oak, oiled.
— top thickness 26 mm
— **suitable for Livia frames**
— straight edge
— no pre-drilled holes
— integrated battens on the underside ensure additional stability and lasting dimensional accuracy of the tabletop – resulting in a high-quality, durable construction

Note: Wood is a natural product. Natural differences in colour, grain and structure as well as changes typical of the material give each piece of furniture its individual character and make each piece unique.
