

Ceramic stove top cleaning agent CLEANER

Product number: 1111130

Configuration: 200 ml

Configuration options

1111130 | 200 ml

✓ Cleaning agent

✓ 0,2 l

An economical cleaning agent for daily cleaning and care of ceramic and induction stove tops. After each cleaning, the CLEANER creates a film which facilitates the next cleaning. CLEANER is also excellently suited for cleaning copper and chrome. Does not contain formaldehyde, solvents, phosphates or nitrates.
