

PRIME flow Presa ventilation grid

Product number: 4041218  
Configuration: H 150 mm, ventilation shaft approx. 272 cm²/m, black matt

Configuration options

- 4041016 | H 100 mm, ventilation shaft approx. 163.2 cm²/m, stainless steel col., anodised
- 4041017 | H 130 mm, ventilation shaft approx. 217,6 cm²/m, stainless steel col., anodised
- 4041018 | H 150 mm, ventilation shaft approx. 272 cm²/m, stainless steel col., anodised
- 4041216 | H 100 mm, ventilation shaft approx. 163,2 cm²/m, black matt
- 4041217 | H 130 mm, ventilation shaft approx. 217,6 cm²/m, black matt
- 4041218 | H 150 mm, ventilation shaft approx. 272 cm²/m, black matt

- ✓ Ventilation grid
  - ✓ surface mounting
- Aluminium slatted grille.
- length 2400 mm
  - 10 mm LED Flexstrips can be used in the top profile slats
  - can be shortened in length and height
  - incl. 8 mounting brackets
