TopSwing

Product number: 3031069
Configuration: black matt

Configuration options
3031069 | black matt

✓ Accessory
The height adapter is attached to the wall so that the base of the TopSwing does not rest on the floor, but rather on the wall at the height specified by the customer. This height is then fixed and cannot be changed regularly. All you have to do is maintain the distance between the height adapter and the attachment of the table top holder.
