

Function module 3 (radio/Bluetooth)

Product number: 7061275
Configuration: grey

Configuration options
7061275 | grey

✓ Accessory
✓ Bluetooth
✓ radio

In addition to the function of module 2, functional module 3 enables convenient operation via smartphone and tablet. For this, an app has to be downloaded from the Apple App Store or Google Playstore. Several colour change converters can be connected wirelessly.

— colour change IR sensor/door contact sensor/motion sensor
— 1 channel Emotion remote control
— 4 channel Emotion remote control
— operation by Smartphone and Tablet via Bluetooth
— wireless communication between the colour change converters

Functions app control
— stepless adjustment of the light temperature
— dimming function
— create light groups independently of the light channels
— up to 10 light scenes possible
— **available in the app store**
— from version iOS 7 or Android version 4.3
