

## STEEL flow SF 150 flat duct mount

Product number: 4061022

Configuration: galvanized steel

### Configuration options

4061022 | galvanized steel

✓ Exhaust air accessorie

✓ installation in the wall

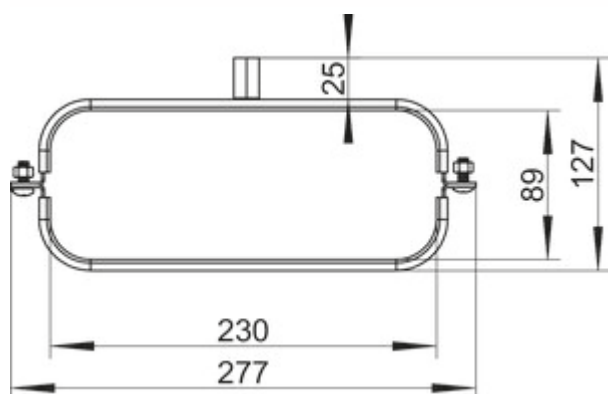

✓ plug-in system

For laying the flat ducts on ceilings and walls.

— with damping

— recommended distance between two mounts 500 mm

— suitable for flat ducts SF-VRO flex and SF-VRO

Technical drawing of the Naber SF 150 Flat Cable Hanger. The drawing includes three views: a top view showing a rectangular profile with rounded ends (R24), a side view showing the cable hanger's profile, and a detail view of the mounting bracket. Dimensions are provided in millimeters. The top view shows a width of 102mm and a height of 234mm. The side view shows a width of 20mm and a height of 243mm. The detail view shows a mounting bracket with an M10 thread and a 10mm offset.
