

Flex-Frame[®]

Product number: 5031037

Configuration: for cabinet widths 500/600 mm

Configuration options

5031037 | for cabinet widths 500/600 mm

5031038 | for cabinet widths 800/900/1000 mm

- ✓ Mounting frames
- ✓ Material: powder coated steel sheet

Mounting frame sheet steel, white (RAL 9010), telescopic.

— for a clear mounting level in kitchen base units

— installation options for commercially available angle valves (1/2", 3/8") in connection with wall discs/press fittings for surface-mounted sockets, pipe clamps for HT-pipes, Naber Water Box, etc.

— suitable for cabinet widths 500/600 or 800/900/1000 mm (16+19 mm body thickness)

— high-quality appearance due to scratch- and impact-resistant powder coating

— easy to install due to prior fixing of the frame to the required cabinet width
