

General assembly instructions for table frames (Livia in black)

Assembly:

1. Please check that no items are missing.
 - a. (Base plate, column, threaded rod, nuts and spring washers)
2. Attach a nut to the end of the threaded rod and fit the cross.
3. Fix the cross from below in the following order: washer, spring washer and nut. (Tighten very firmly)
4. Slide the column over the threaded rod and make sure that it is in the correct position.
5. Place the base plate on the threaded rod and make sure that it is in the correct position.
6. Fasten in the following order: washer, spring washer, and self-locking nut with threaded rod. (Tighten very firmly)
7. Please ensure that all parts are correctly assembled and that the frame is stable before mounting a tabletop.
