Technical data

Article type	Exhaust air accessorie
Brand	PRIME flow
Height	69 mm
Width	29 mm
Mains voltage	230 V
Mounting/Fixing	plaatsing van een GREENflow filterbox in combinatie met GREENflow OMEGA-filter

Note	controlled replacement intervals can be used for up to four filter boxes automatic reset when the filter is removed
Certification	CE
Shape	angular
Length of the supply line (primary)	1.500 mm
Ventilation system	COMPAIR PRIME flow®
