

Kickspace KS 500

Product number: 6011001
Configuration: W 322 mm

Configuration options
6011001 | W 322 mm

✓ Base heating system
The compact base-installed heating system for rooms up to about 12 m² can be connected to the central heating system with little effort.
— connected load 230 V/50 Hz
— heating system exclusively for 2-pipe system
— minimum base height 125 mm

Please note! Ventilation grids and connection hoses are not included in the scope of delivery. Please order additionally.

PLEASE OBSERVE:
For proper operation, the average feed temperature should not fall below 60 °C.

The heat output of the device depends on the feed temperature and the flow rate of the heating system.

Technical data

Article type	Base heating system
Height	93 mm
Width	322 mm
Standards	the noise levels were tested according to EN 23741.
Mains voltage	230 V
Plug type	Angle plug
Note	Cover plates need to be ordered separately. For proper operation, the average feed temperature should not fall below 60 °C. The heat output of the device depends on the feed temperature and the flow rate of the heating system.
Switch	Yes

Heating medium	water
For room size	12 m²
Minimum plinth height	125 mm
Heating capacity	740 - 976 W
Suitable pipe system	2-pipe
Engine power	25 W
Mains frequency	50 Hz
Connection to central heating system	Yes
