

R-RBV flow 125 pipe bend 90°

Product number: 4052014
Configuration: white

Configuration options
4052014 | white

✓ Connecting element

✓ Plug-in system for subsequent gluing

Low-loss deflection via integrated guide vanes. With sleeves integrated on both sides.
— Ø 130 mm
— **also suitable for direct connection**
— Up to 70 % less pressure loss through guide vane technology. This results in considerably increased performance at reduced noise generation.
— Can be laid close to corners due to its very small inner radius.
— Optimal transition to all wall conducts with round connector.

Technical data

Article type	Connecting element	Shape	round
Height	186 mm	Outer diameter	130 mm
Width	186 mm	Connection diameter	125 mm
Material	Polystyrene	System dimension	125
Mounting/Fixing	Plug-in system for subsequent gluing	Output drive	round
Note	also suitable for direct connection	Ventilation system	COMPAIR flow 125
