

Caulking set

Product number: 1111002
Configuration: orange

Configuration options
1111002 | orange

✓ Connecting materials
Create silicone joints like a professional – it's the only way to achieve clean and uniform joints. Push the cartridge tip as far as it will go through the central hole of the hand gun and cut it off at the furthest point.

Set consisting of:
— silicone scraper 6 mm
— caulking tool
— cleaning set
